There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75 cents. Hall's Family Pills are the best.

And all other good Republicans of the county who desire to attend the Convention.

These resolutions were presented and adopted unanimously:

The Republicans of Mason county, in Convention assembled at the city of Maysville April 28th, 1900, adopt the following declaration of principles:

We heartily and earnestly endorse all of the actions of the present National Administration as conducted under the wise and patriotic guidance of President McKinley and we commend to the voters of Mason county a careful review of his acts and deeds before casting their ballots in November next.

hoping they may so cast them as to do their part toward continuing this splendid Administration in power.

We signally deplore the present conflict of authority in our own state affairs, but we steadfastly approve of and endorse the course pursued by Governor W. S. Taylor and those elected with him on the Republican state ticket in November, 1899. We point with pride to the manliness and dignity of Governor Taylor and everyone of his associates. We condemn in unmeasured terms the wanton attempted usurpation of power on the part of the "so-called" Democratic party of Kentucky. We declare their actions to have been unjust to the voters who honestly defeated them at the polls; disloyal to the great political organization from which they have cast themselves; contemptible and, in some respects, criminal. We declare it to be a fact, known to all men, who have given the matter intelligent consideration, that the Democratic candidates were defeated by the votes of the people. This is admitted even by Beckham and his masters. We declare their claim to office to be based on the findings of an unfairly selected Contest Committee, appointed by a partisan and prejudiced majority in the Kentucky Legislature. The Courts through which this affair has passed have declared every act committed "under due form of law."

A law that sanctions thievery and bribery and all the acts of political jugglery should be repealed for morality's sake or at least for that of Christianity.

We emphatically declare our belief in the entire innocence of any Republican state official of any connection with the assassination of Senator Goebel, and we believe that anyone now under indictment by the Franklin County Grand Jury is guilty as charged. We believe them to be victims of persecution. Some of the persecutors may be unconsciously so, others willingly tools, but those assuming leadership are designedly depriving innocent men of liberty, the opportunity of supporting families, depriving wives and babies, who are surely innocent, of any source of income, wherewith to buy the necessities of life. But the mad scramble for office overshadows all. Wives may be made widows and children orphans, but the abounding faith which honest men have in true Kentucky manhood makes them hope a day of relief may come.

We congratulate the Hon. Samuel J. Pugh upon the firmness of his stand in support of President McKinley, and upon the valuable help he has rendered the Administration. We furthermore endorse his candidacy for re-nomination and instruct the Delegates from this county to the Congressional Convention, to be held at Ashland, May 2d, to vote for his re-nomination so long as he remains a candidate, and to use all honorable means to secure it.

Having full confidence in the character, integrity and ability of Captain Horace J. Cochran, Mason County Republican, we present his name as a candidate for Delegate to the National Convention at Philadelphia, and the delegation from this county is instructed to vote for him and urge his selection and use all honorable means to that end.

W. D. COCHRAN,
GEORGE N. CRAWFORD,
JOHN E. WELLS.

Great preparations are being made for the entertainment of the annual state convention of the Kentucky Christian Endeavor Societies in Versailles May 11 to 13.
